THE PRESIDENT'S MESSAGE

COPIAH-LINCOLN JUNIOR COLLEGE
WESSON, MISSISSIPPI

1958

F. M. FORTENBERRY,
PRESIDENT

To the Sophomores of 1958:

All of us have been looking forward with much anticipation to the occasion of receiving the 1958 Co-Lin Trillium. May I take this opportunity to thank the Sophomore Class of 1958 and the Co-Lin Trillium Staff. A special thanks are due to all of you who have given so freely of your time and ability to make this yearbook possible. This project requires a great deal of time and careful planning, and it is my hope that this finished publication will give you the satisfaction of a job well done.

The Co-Lin Trillium has much valuable information which makes it a definite asset to our institution. The classes from the ninth grade through the sophomore are pictured, the activities of our school are featured; the snapshots of various "highlights" of your school days are included. In years to come you will find much pleasure in glancing through the pages of this publication and reliving the wonderful days of the 1958 school year. May I challenge each of you to continue the fine leadership which has been exemplified during your years at Copiah-Lincoln and remind each of you that you owe much to this junior college taxing area and to the State of Mississippi. This debt can be paid only through intelligent leadership and service to your community and state.

My prayer for you, as you leave Copiah-Lincoln, is that you will assume fully your obligation to your church, community, state, and fellow man. If we can ever in any way be of assistance to you in the future we shall be happy to serve you.

Very sincerely yours,

F. M. Fortenberry
